

EMBASSY OF TUNISIA
NEW DELHI

سفارة الجمهورية التونسية
نيودلهي

New Delhi 10/06/2021 .

No 247/2021

The Embassy of the Republic of Tunisia in New Delhi presents its compliments to the esteemed Ministry of External Affairs of the Republic of India (CPV Division/WANA Division), and has the honor to inform that The Tunisian Government has set the following conditions for reception of travelers in Tunisia:

- 1- **Non-vaccinated passengers** above the age of 12, must provide a **negative COVID-19 PCR test** taken 72 hours before departure. They are also subject to **home quarantine for a period of 7 days** from the date of arrival.
 - 2- **Fully vaccinated passengers** (both jabs) of a globally recognized COVID-19 vaccine OR those who have **tested positive for COVID-19 up to 6 weeks** prior to the date of travel are exempted from quarantine or presenting a negative PCR test. provided they present a Vaccination Certificate with a QR code. Or submit a medical certificate proving that they tested positive six weeks before the departure date and they recovered and fit to flight.
- All passengers (vaccinated or not vaccinated) must complete the mandatory **health declaration and quarantine confinement form** (available on <https://app.e7mi.tn>). A copy of this form must be printed and signed prior to check-in.

The Embassy of the Republic of Tunisia, therefore, appreciate it if above mentioned information could be forwarded to the relevant Indian authorities.

The Embassy of the Republic of Tunisia avails itself of this opportunity to renew to the esteemed Ministry of External Affairs of the Republic of India the assurances of its highest consideration.

Ministry of External Affairs
(WANA Division)
New Delhi, India
