PRESS RELEASE

It is with great satisfaction that the Government of India has learnt of the decision to award the Nobel Peace Prize for 2015 to the Tunisian National Dialogue Quartet. India welcomes this award as recognition of the significant achievements of the people and political leadership of Tunisia, who have built a durable democracy with strong institutions which has, despite huge challenges, already witnessed two peaceful transfers of power to elected governments. India joins the people of Tunisia in celebrating this well-deserved recognition.
