**Notice**

Indian nationals who wish to travel to Tunisia may note the following updated requirements for entry into Tunisia for organized Touristic trips:

- ❖ Passengers must carry Covid 19 RT-PCR negative test report arriving on charter or regular flights as part of inclusive tour will be allowed to enter Tunisian territory and exempted from mandatory quarantine.
- ❖ During the stay in Tunisia: The commitment to stay in groups (Cohorting) during the whole journey including transportation from/to airport, and movements and outside inside the touristic resorts.
- ❖ Strict compliance with the anti-covid-19 health protocol.
- ❖ Passengers must complete a Health Declaration form before departure for Tunisia at <https://app.e7mi.tn>. This will generate 2 documents which must be printed, signed and presented prior to boarding and to immigration upon arrival.
